Gary Joseph & His Staff offer a Football Camp with over a combined 250+ years of successful coaching experience. Coach Joseph & his camp staff have helped develop athletes into champions year in & year out throughout the State of Texas.

This staff has long maintained it's desire to get solid information & instruction on fundamentals of football to the young children in our community regardless of where they will be attending school.

Our 23rd Annual Home of Champions Football Camp will provide instruction on the fundamentals of football that have made it possible for many Katy area athletes to participate in many high school playoff games, multiple state championship appearances and several state championships. The session will be 2 hours in length, position specific & action packed. It will also include character building mini tasks daily.

The below release form & information must be filled out & signed before your child may attend Home of Champions
